

# FOCUS ON ABC Splash

[splash.abc.net.au](http://splash.abc.net.au)

ABC Splash brings you high-quality digital educational content from across the ABC and around the world.

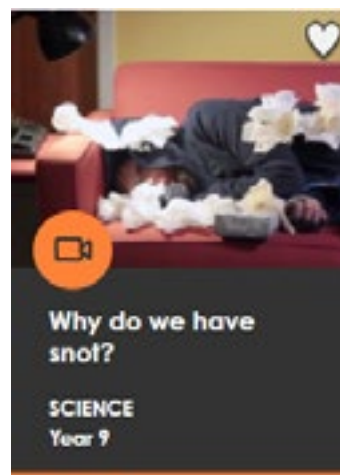

## RESOURCES:

ABC Splash defines resources for young learners (also educators and parents) by relevance to subject areas, year levels and types of resource.

**Videos, Topics,  
Digibooks, Teachers,  
Games, Articles, Audio,  
Links...**

### WHAT DO YOU KNOW ABOUT E-WASTE?:

Australians are quick to embrace new technology. However, the rapid rate of technological change has meant that Australia is one of the world's largest producers of electronic waste, or 'e-waste'. This clip from 2013 looks at how various community groups are working together to find a solution to this growing problem.

Why do we have snof?

SCIENCE  
Year 9

Developing robotic farm machinery
